1) The numbers reflected in the Consolidated Statement of Operations are shown in MILLIONS.

2) The financial statements and supplemental information contained herein are limited in scope and cover a limited time period. Moreover, such information is preliminary and unaudited. The financial position and results of operations contained herein are not necessarily indicative of results which may be expected for any other period or for the full year and as a result, may not reflect the consolidated financial position and results of operations of the Debtors in the future.

3) Cumulative results for 2019 are beginning September 1, 2019 as operating results for the partial month from the filing date of September 15, 2019 to September 30, 2019 are not available.

4) Includes non-cash write downs of \$58M related to Rhodes Technologies assets.

5) The debtors historically updated contingencies as part of their year-end review with their auditors, Ernst and Young. Consistent with that practice, the Debtors have not assessed the need to adjust accruals for settlements as of November 30, 2020, and will incorporate accruals for settlements and claims as appropriate when the accruals are updated.

3) On September 15, 2019, the Company announced that it had reached an agreement in principle on a framework for settling the U.S. opioid litigation facing the Company with twenty-four (24) state attorneys general, analogous officials from five (5) U.S. territories, the Plaintiff's Executive Committee in the MDL, and co-lead counsel in the MDL. In connection with this agreement in principle, the shareholders of the Company are expected to contribute their ownership in the Company to a trust or other entity established for the benefit of claimants and the American people and a minimum of \$3.0 billion, with the potential for substantial further monetary contributions from the sales of their ex-U.S. pharmaceutical businesses. The Company has concluded that for accounting purposes a loss has been incurred and has recorded a provision in the amount of \$3.0 billion, in accordance with ASC 450, Accounting for Contingencies. This accounting provision of \$3.0 billion was recorded retroactively to December 31, 2018. The Company expects this amount to be paid by the shareholders of the Company. The Company will reclassify the liability associated with the cash settlement that is expected to be paid by the Company's shareholders to equity as a capital contribution if the settlement agreement is finalized and executed.

4) The debtors historically updated contingencies as part of their year-end review with their auditors, Ernst and Young. Consistent with that practice, the Debtors have not assessed the need to adjust accruals for settlements as of November 30, 2020, and will incorporate accruals for settlements and claims as appropriate when the accruals are updated.
